This is a lovely park with a safe enclosed (dog free area)

*We are keen that as many people can join us as possible so if you are able to offer a lift or meet up with someone to make the trip easier give Maryon a call in the office and she will do her best to link people up with one another.*

## Gorillas come to Bristol

If you're in Bristol over the summer, expect to find a Gorilla on the streets.

Bristol Zoo is putting 60 life-size gorilla sculptures around the city, to celebrate their 175th birthday.

100 smaller ones will also be placed all over the region.

Go to [www.bristolzoo.org.uk/wow-gorillas](http://www.bristolzoo.org.uk/wow-gorillas) for more information and a map of where to find them all!!

## Funding News - Something to Celebrate!

We are tremendously happy and relieved that we can tell you that our recent application for funding from the Big Lottery has been successful. This will provide us with about £35,000 a year for 5 years - less than a third of what we need to continue at our present strength but a fine foundation on which to base other fundraising. Several trustees and Beverley have worked exceptionally hard to achieve this but we also owe a great debt of gratitude to Naomi, sister of our volunteer Zena, who gave us invaluable advice, and to Sophia, our Social Work 'placement' student, who carried out the research on which our application was based.

**Jenny Harris Vice Chair**

*A BIG thank you to Jenny for leading on this!*

### Interested in a FREE parenting course?

Children are rewarding and fun but looking after them can be stressful and challenging. A parenting course may help you to deal with those challenges so you can have a calmer, happier family life. Some have a crèche and invite you to bring a friend or relative (or your Home-Start volunteer) for support.

- **Strengthening Families** aims to help achieve a healthy violence free lifestyle for you and your family, learning along the way how to understand your own behaviour and build your confidence as a parent, how to influence your children's behaviour and improve your relationships and communication with them. *For more info contact Lynn Campbell 0117 951 4231 Bristol City Council Parent Support Team.*
- **Triple P** is a programme that suggests simple routines and small changes that can make a big difference to your family. - **The Nurturing Programme** is a new programme to help you understand your child's behaviour, explore approaches to discipline and develop co-operation in children.

*For more information on Triple P and the Nurturing Programme contact Family Information Service on 0845 129 7217 (or ask your Home-Start volunteer or Co-ordinator)*

Kids will love it!

## Fire Safety

### Did you know?

Avon Fire and Rescue Service will visit you at home and provide you with free advice on fire safety. A smoke alarm will also be fitted during the visit if required, with fire service staff explaining how to maintain it correctly.

### Top Tip from the Fire Service

When doing the cleaning remember to dust or vacuum your smoke alarm regularly to ensure it will activate if you need it.

There is also a free reminder service where a text or email is sent to you on a regular basis so you don't forget to look after your smoke alarm. Go to [www.avonfire.gov.uk/Avon](http://www.avonfire.gov.uk/Avon) for more information.

## Circus Starr

On a lovely sunny Spring evening hundreds of excited children crowded into a big blue tent in Keynsham to experience the magic of a Circus Starr's performance. Children and adults alike were spellbound by the mix of top-flight acrobatics, breathtaking balancing and non-stop comedy, flashing lights and loud music. **Amongst the crowds were many Home-Start families enjoying the event for free, allowing many families to treat their kids to pop corn, candy floss and ice cream!**

One Home-Start mum took her four children aged between 10 years and 9 months and said "it was really good; all the children enjoyed it, a lovely evening out for all the family."

Circus Starr is an all human touring circus which raises much needed funds for community charities from the sale of tickets and sponsorship packages to local businesses. Local businesses buy the tickets and then donate them to charities like Home-Start, meaning that we were able to offer tickets to our Home-Start families and volunteers.

*'Our HS volunteer has also helped with many hospital visits'*

*'The children loved our volunteer and looked forward to her coming' 'Our volunteer has been a great source of support and advice'*

*'The children benefited having a different person to stimulate them and provide other play ideas'*

## VOLUNTEER PREPARATION COURSE

Last year we trained 47 new volunteers over 4 preparation courses. We will be embarking on another course on Wednesday 14<sup>th</sup> September which as usual will run for nine weeks. It will be held in the Southmead Community Practice just across the car park from our office. Although the course is filling up well, should you know of anyone who is interested in volunteering with us then please encourage them to contact us as soon as possible.

**Home-Start** has been endorsed in the **Munro Review of Child Protection** which was published on 10th May 2011.

"Organisations such as Home Start UK ... demonstrate the value of volunteers in communicating models of good parenting... Evidence submitted to the review indicates that their services are well received by parents that are struggling, because specific attention is devoted to those children with complex needs and the support is shaped to reflect the needs of children and families. Volunteers working with children and families require regular and skilled supervision."

## Volunteers....NEW!!

Peer Support Group for volunteers - an opportunity to get together to discuss issues and share experiences. Next date Thursday, 22nd September at the Greenway Centre, Southmead, 10 - 11.30am.

## VTE - Cultural Awareness

Volunteers, staff and trustees enjoyed learning about different faiths and cultures at **SARI** (Support Against Racial Incidents).

Sadly time ran away with us so we hope to book another session in the near future.
